Maltese as a Foreign Language course at Sir M. A. Refalo Sixth Form

For the last three years, Sir M. A. Refalo Sixth Form has been offering Maltese as a Foreign Language courses. This year Sir M. A. Refalo Sixth Form will be offering the beginners' course named:

Academic Award in Maltese as a Foreign Language MQF 1 (6 ECTS, MQF 1)

In this course candidates will have three lessons weekly between 8 am and 2.50 pm. Those who successfully complete the course, will be awarded an accredited certificate.

Maltese is both the national language of Malta and an official language in the European Union (EU). Therefore, obtaining an accredited certification in Maltese will not only help learners to integrate more into the local community here in Malta but also open new horizons for them in the EU. One of the main objectives of the EU is that every citizen should master two other languages in addition to their mother tongue. So, take your language learning a step further at Sir M. A. Refalo Sixth Form—An Institute for Further Education. Please apply through the Institute's administration.
